**Preserving Cultural
Heritage**

Want to connect with colleagues
and advance your career? Join AIC.

Become a Member

Establish a deeper connection with
conservation and gain access to the tools
you need to get ahead.

www.culturalheritage.org/join

We envision a world in which everyone appreciates and supports the preservation of cultural heritage. Only dedicated members like you make this possible.

Benefits include:

- innovative publications, including our journal and member newsletter
- useful tools for your business, including our “find an expert” search, insurance, and discounted access to academic research & project management tools
- professional development and learning through meetings and workshops, funding, and online member community
- strong national voice with outreach and advocacy resources and a team working on behalf of the profession
