REFERENCES

NOTE: Please use caution when using any reference that is more than a few years old. The science of art conservation is continually being updated, and materials or methods recommended just a few years ago may no longer be seen as safe or effective. Double-check with a conservator in that specialty.

"Tips and Tricks To Remove The Mud From Textile Collections After A Flood", S. Gail Niinimaa. Textile Specialty Group Postprints, Volume 26, 2016. Pages 171 – 183.
