

Alliance for Response FREE Webinar Series

Mark your calendars for a series of webinars specially developed for members of the Alliance for Response community! Learn from your peers about best practices for organizing your network; discover how to integrate volunteer efforts; get tips on how to navigate the Public Assistance process; develop tabletop exercises for training; learn about how to communicate effectively during an emergency; and discover some best practices for fundraising!

All programs may be accessed at <https://meet98657813.adobeconnect.com/faic>
No pre-registration required!
