AT & SF

Provide mutual aid in preparing for and coping with disasters affecting cultural heritage institutions(CHI) & their collections

- Assist members in the development of their disaster & collection salvage plans
- Organize training & workshops to acquire the expertise needed to cope with disasters
- Acquire, on a cooperative basis, supplies & equipment to support disaster preparedness

Colorado CHI's prepare ...

- Implement using existing organizations
- Build on model of successful networks
- Provide incentive (training & supplies)
- Encourage institutional preparedness and training
- Organize regionally with statewide response support

**[www.heritagepreservation.org/PROGRAMS/TF
DisasterNetworks.html](http://www.heritagepreservation.org/PROGRAMS/TFDisasterNetworks.html)**

Successful regional planning

- Lead institution/organization with administrative commitment
- Agreed upon mission and goals
- Supportive core group of individuals
- Shared responsibility/build leadership
- Ongoing training component
- Regular communication and/or meetings

Get to know the disaster response partners in your community

Regional cultural institutions as well as...

- Fire & police departments
- City/County Office of Emergency Management
- Local American Red Cross chapter
- Colorado VOAD/Denver VOAD
- Disaster recovery companies
- Trainers in disaster preparedness & response
