

# Let's Work Together

Engage in a Safer City

**Managing Director's Office of  
Emergency Management  
City of Philadelphia**

# Overview

- **OEM Mission**
- **Be Proactive!!!**
- **Build Relationships through affording pre-incident access to your facility.**
- **Agree to host events/training/exercises**
- **Engage first responders through participation on working groups.**

# OEM Mission

**Managing Director's Office of Emergency Management**

**Responsible for ensuring the readiness of the City of Philadelphia for emergencies of any kind.**

**A integrated and collaborative program that:**

- **Educates the public on how to prepare for emergencies**
- **Works to mitigate the impact of emergencies**
- **Develops plans to coordinate the City's response to emergencies**
- **Conducts training and exercise activities to practice the plans**
- **Coordinates on-scene response, and recovery operations following an emergency.**
